WHAT IS FIND?

Find is a community resource website that provides a comprehensive listing of services and amenities in and around the University of Notre Dame.

Whether you are considering relocating to the South Bend/Elkhart region to work at Notre Dame or just moved to the area, you can easily discover where to dine, play or live on Find.nd.edu.

The site highlights the diverse offerings available in the many communities surrounding the University, providing a number of categories and tags to refine searches.

Resources are linked to Google listings, providing the most readily available, up-to-date information. If a favorite restaurant or child care center is not listed, users are able to suggest new resources at any time to the Find.nd.edu web manager.

WHAT COMMUNITY RESOURCES ARE INCLUDED?

Thousands of local community resources, including those on campus, are organized into the following categories:

- Arts & Entertainment
- Education & Family
- Food & Drink
- Government & Business
- Health & Personal Care
- Housing & Home Services
- Parks & Recreation
- Religion & Volunteerism
- Travel & Lodging

Most listed resources are located within the South Bend/Elkhart region, with some listings beyond this area due to their unique nature. In order to be listed, resources must be consistent with the University’s mission and values.

For questions or concerns, please email find@nd.edu.
